No. 21 Signature facial

This treatment uses a combination of nature and science for the best results. Firstly we use a Lumispa for a thorough cleanse of the skin. This ensures that the products used can penetrate the skin effectively. After a relaxing massage, and mask, we use an ageLOC® Face Conductor. Used with galvanic face gels, there are many benefits to this facial. It is detoxifying, increases oxygen and circulation, skincare products can penetrate deeper and wrinkles are reduced.
